LEARNING AT HOME SCHEDULE:

6-10 YEARS

MONDAY

Video

Let's learn about circuits, electronics, conductors and motors from Wizkidsclub's tutorials.

Activity

Make a 3D glowing paper lantern using a simple circuit

Homework

Do you like flashlights? What do you think is inside? Draw the parts you think are inside

TUESDAY

Video

Today we'll learn about growing our healthy food using seed balls from Wizkidsclub's tutorials!

Activity

Let's look for different kinds of seeds at home!

Homework

Research on "hydroponics" and how to grow plants without soil

WEDNESDAY

Video

Learn simple coding using Wizkidsclub's Scratch tutorials.

Activity

Can you program a simple "Guess the number" game?

Homework

What did you do during the weekend? Animate a story about it

THURSDAY

Video

Paint like Gustav Klimt's Lady in Gold from Wizkidsclub's courses.

Activity

Color with sketchpens/ sharpies any plain mask taking inspiration from Klimt's paintings.

Homework

It's nice to share your work! Trying selling it and raise money for charity

FRIDAY

Video

Let's talk about puppets!

Activity

Gather materials for a sock puppet. Ask your parents for help with the cutting parts.

Homework

Create a short video using your puppet!
